Certificate of Completion Content Writing Intern 2019

This is to certify that **Naman Indranil** was the Content Writing Intern for a period of 3 months from May 13, 2019 to August 15, 2019 as a work from home intern.

As a part of the CoFoundersTown Team, **Naman** was responsible for coordinating with his respective team leaders for overall development, including content research and content writing.

Naman is a hardworking and sincere individual who completed all the tasks and duties with full responsibility and exhibited good management skills. He, therefore, has my recommendation for more such projects in the future.

With Regards,
